# A Grumpy Introduction

I get a lot of questions about how I got to be as grumpy as I am. I give everyone the same answer: you have until the count of three to leave, or the claws come out.

You see, true grumpiness comes from inside—you have to feel it down to your core. Even if you weren't born with it like me, however, you can still develop a grumpy mindset. This book will help you achieve that.

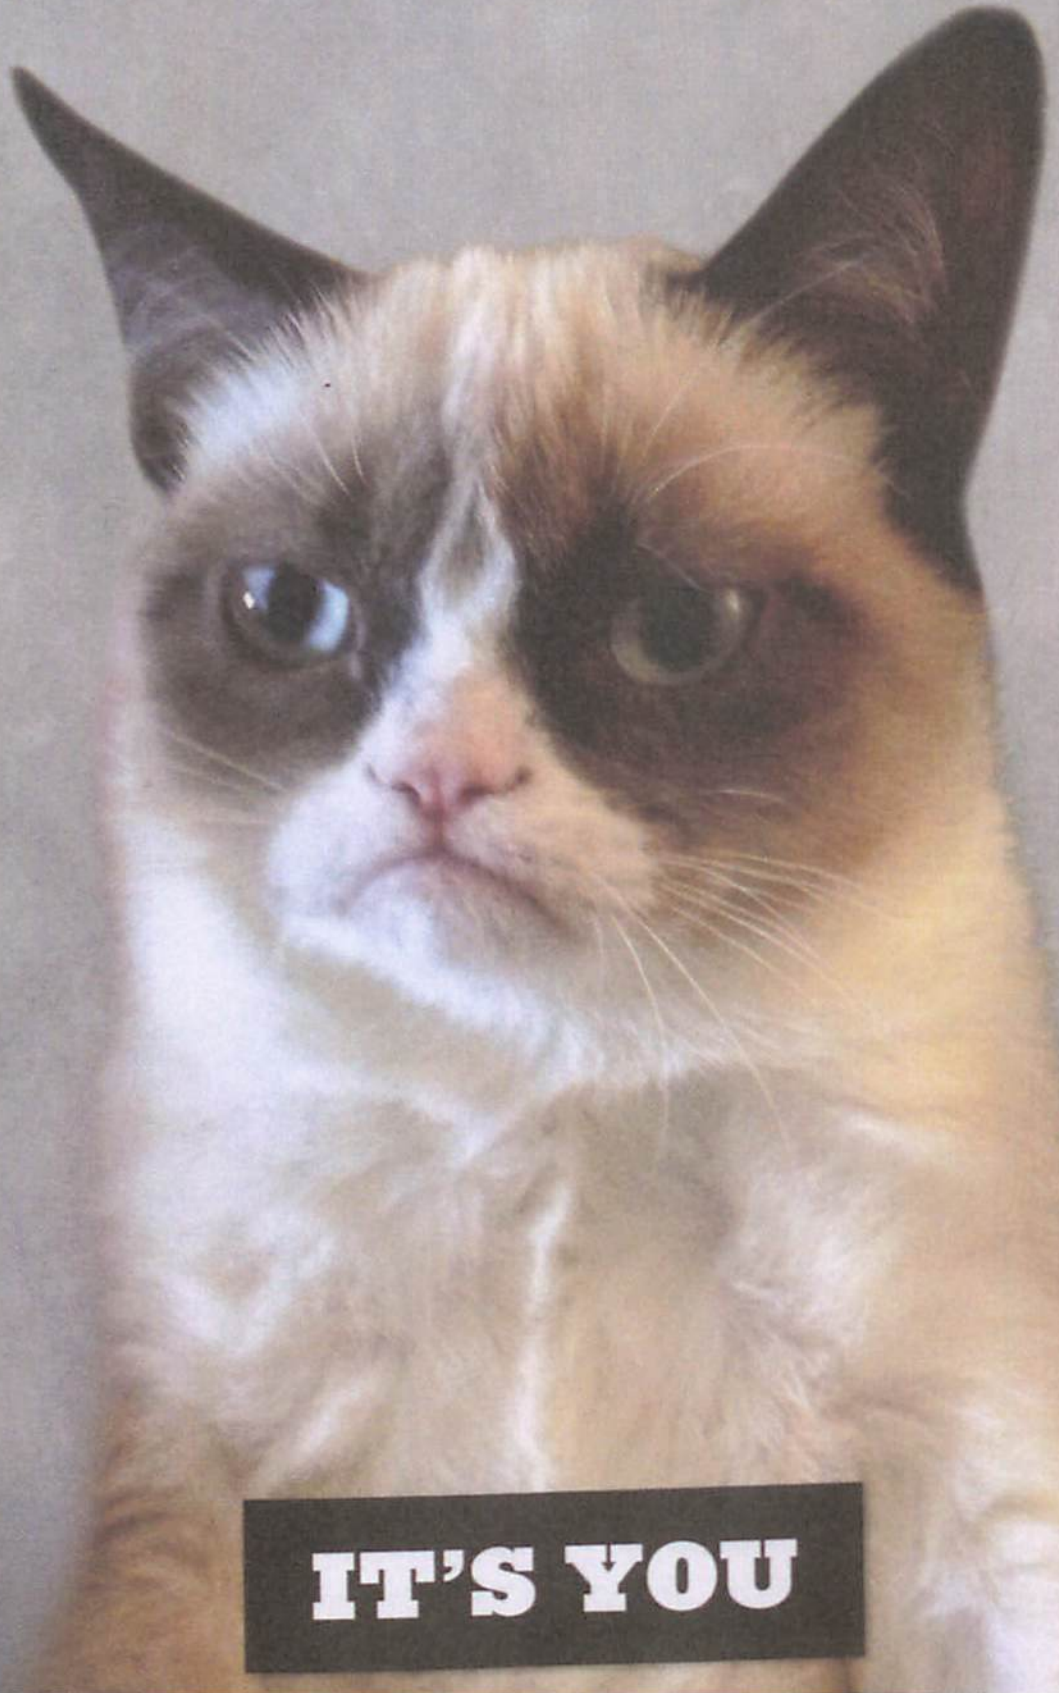

Why help you? Here's why: I dream of a world in which everyone sulks in their own corner, occasionally emerging to judge one another and feel disgust for everything around them.

Within these pages, you'll find tips on how to be grumpy, a tour of my life (for inspiration), and activities, games, and more to get you in a bad mood.

Hopefully, you'll finally leave me alone.

**IT'S NOT ME**

**IT'S YOU**

# Forecast for Your Life

**NOW THAT YOU HAVE THIS BOOK,**

things are going to start looking down for you right away. Here's the forecast for the rest of your life. No matter what the weather is outside, this is what it will be in your heart.

# Think Grumpy

## HERE'S WHY YOU GET GRUMPY:

- ☹ I have to wake up too early.
- ☹ My foot hurts.
- ☹ What's that smell?
- ☹ It's raining.

## HERE'S WHY I GET GRUMPY:

- ☹ I have to wake up.
- ☹ I have feet.
- ☹ The world has smells in it.
- ☹ Anything.

## TRUE GRUMPINESS

is about embracing the horrible in everything  
that happens every day.

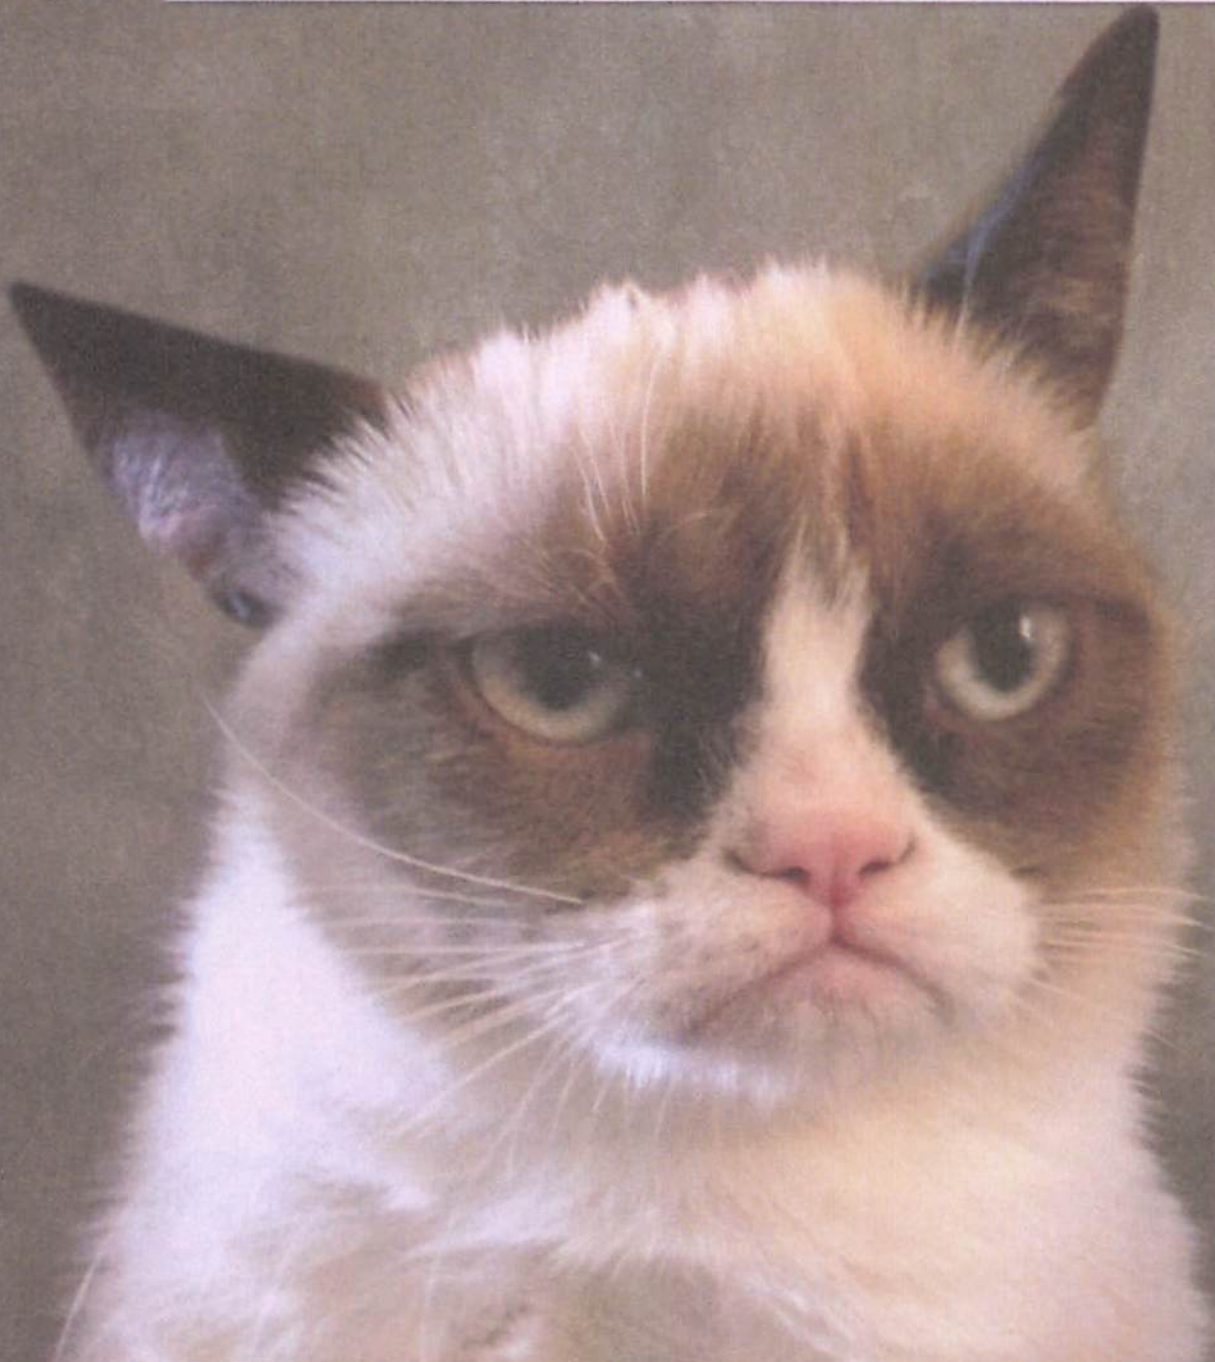

**REMEMBER: IT'S ALL BAD.**

**I HAD FUN ONCE**

**I HATE  
MORNING PEOPLE**

**AND MORNINGS**

**AND PEOPLE**

# Getting In a Grumpy Mood

## Having some trouble sustaining your grumpiness?

Here are some negative facts and statistics to get you in the right space:

**Eating yummy ice cream cones** often results in permanent, incurable brain freezes.

**Puppies** like to trick people into starting wars. At least 65% of wars are caused by puppy trickery.

**Flowers** are cesspools of bee urine and hummingbird spit.

**Cute, laughing babies** are responsible for 99.5% of horrible diseases in the world.

**In a beautiful park on a sunny day,** the trees are full of squirrels waiting to drop rocks on your head.

**Happy people** are two times more likely to get hit by falling pianos than unhappy people are.

**A single kiss** contains more germs than 100 toilet seats.

### MY HOME

I live in Arizona. Ever heard of it? I don't care.

Arizona is mostly barren  
and devoid of life.

There's a lot of dirt  
and sticks.

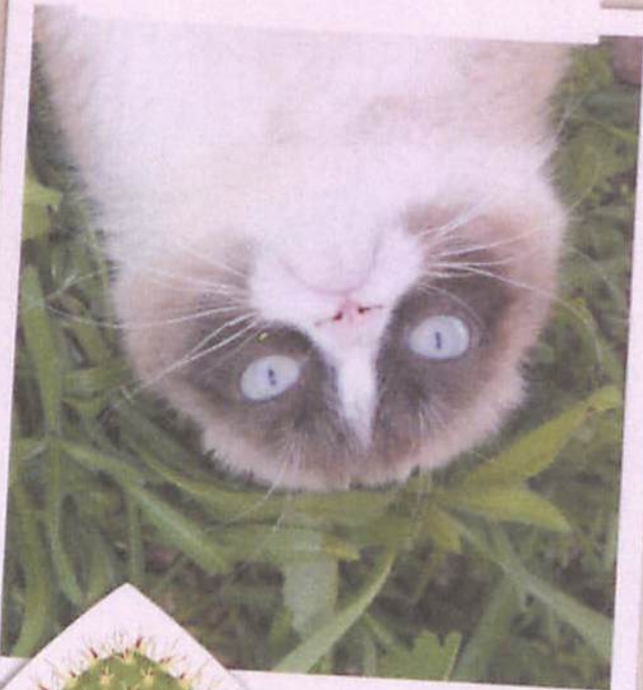

I avoid direct contact with the outdoors whenever possible.

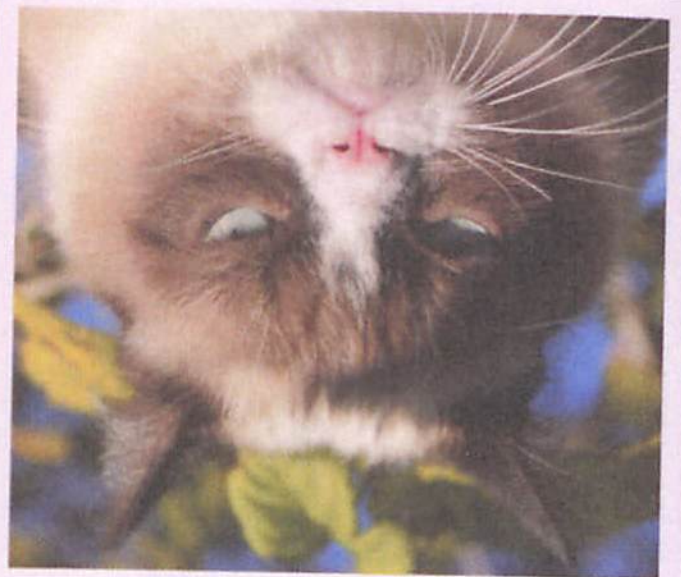

But a lot of the time Arizona is just rocks and sand and burning sun.

Here's some grass. I'd like to bury you under it.

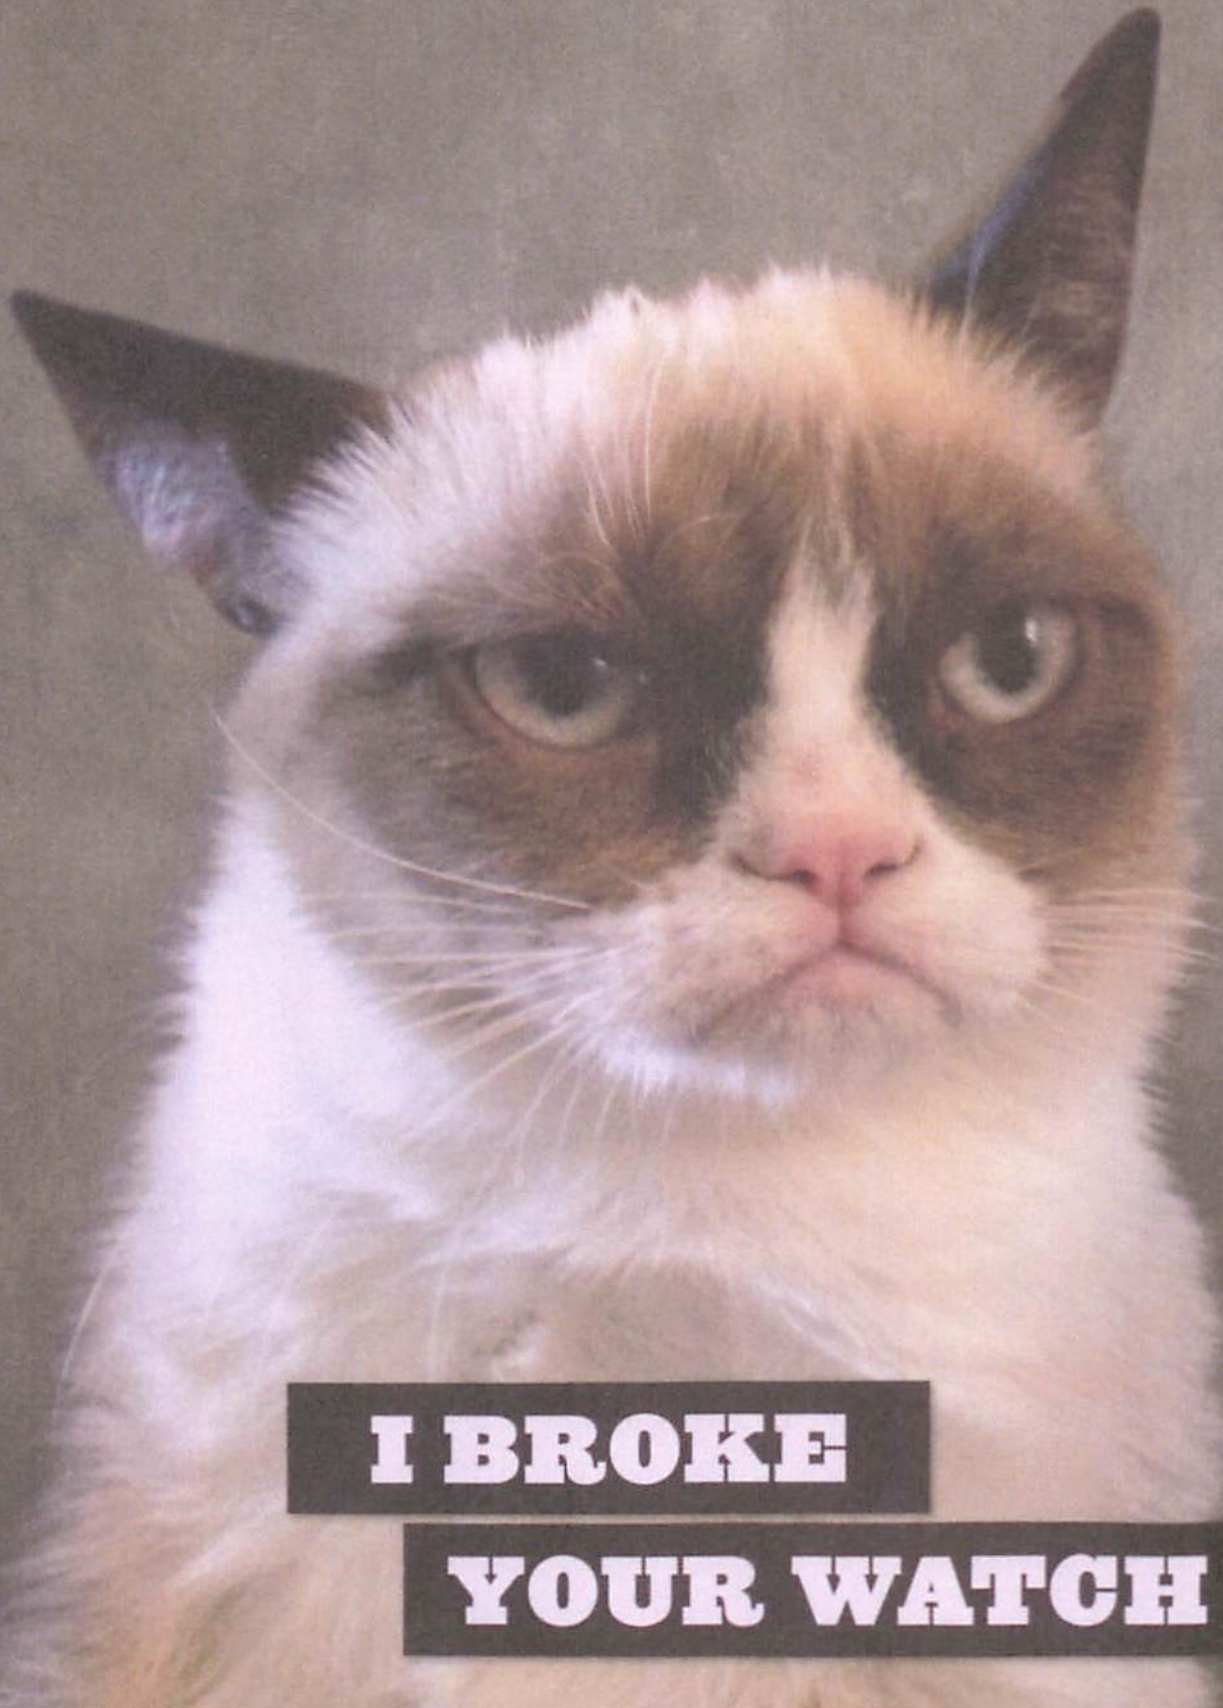

It's not all desert. Sometimes there's something green, like a tree. Which is the worst.

## 3 MONTHS

My first word: No.  
My second word: Good.

## PAST

## 1 YEAR

Become famous Internet cat.  
Destroy the hopes and dreams of millions. Good.

## 35 YEARS

Invent dog incapable of barking, licking, or smiling. Make lots of money. Burn it.

## PRESENT

0

Born frowning.

8 MONTHS

Had fun. It was awful.

14 YEARS

Inspire new kind of plastic surgery that gives you a permanently frowny face.

#### 48 YEARS

Become first cat president of the United States following groundbreaking "I don't care about this country or you" campaign. Don't do anything while in office. Run country into ground. Good.

#### 70 YEARS

Unintentionally eliminate threat of global warming with cold, cold stare.

### FUTURE

**65 YEARS** Reduce countless people and animals to tears.

#### 100 YEARS

Become the only cat to live 100 years, having learned from old people that the less you enjoy life, the longer you will be forced to endure it. Continue to live probably forever.

### MY ROOMMATES

Pokey is my biological brother. There's not much of a resemblance.

This dog is horrible. Frankly, I don't even know his name.

This is Cactus.  
He's just a cactus with  
googly eyes. He's ok,  
I guess.

Here are the arms that belong to  
the humans we live with. They're  
always scooping me up. This was  
probably my worst day.

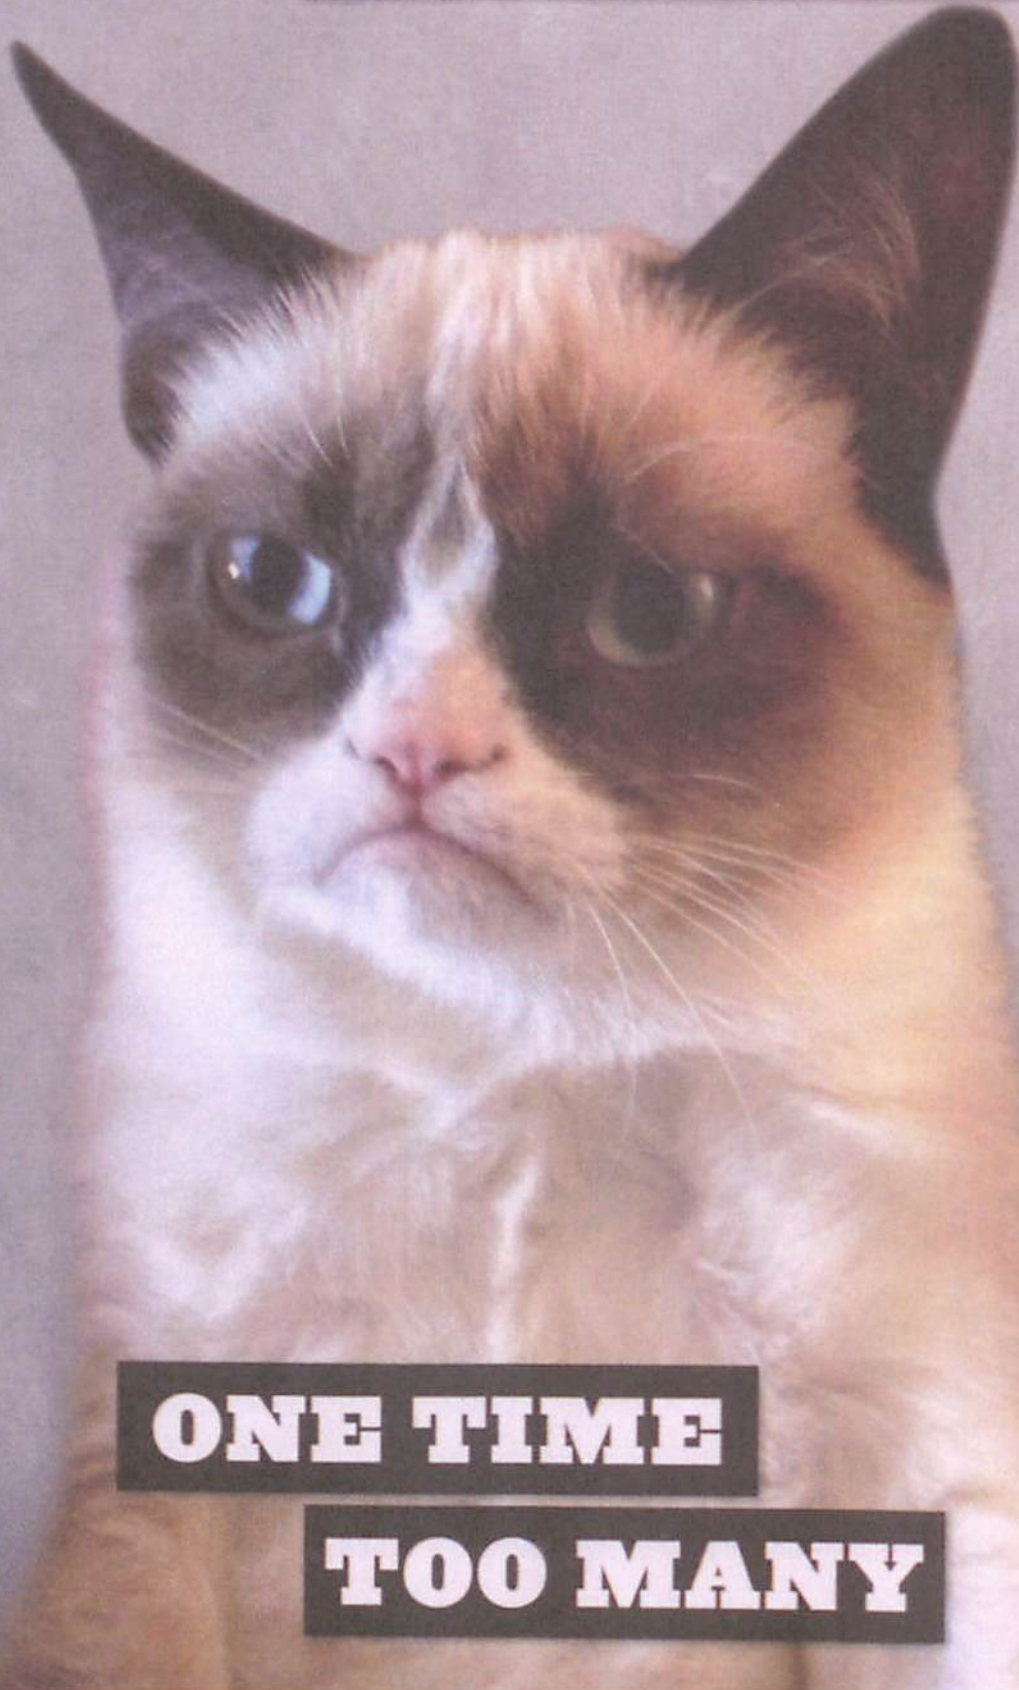

Nope, this was.

# How to Be Grumpy

**Being grumpy is an art.** It comes naturally for some of us (me). But for most it takes a lifetime of practice. But with a few simple tips, anyone can get started on the road to grumpiness at any age.

**Here are a few tricks to try:**

## SITUATION

## RESPONSE

**Someone makes a joke or seems to be looking for approval.**

Shake your head in embarrassment for them. Refuse to meet their eyes, exhale loudly, and rub your forehead. Repeat as necessary until they leave the room in discomfort.

**You come up against a problem.**

Don't ask for a helping hand. Try to remember that whatever you're working on isn't important anyway. Just don't do it.

**You have a spare moment.**

Look around you and try to think of at least one judgmental thing to say about something. The goal is to see nothing but disappointment and failure.

**You find yourself feeling hopeful or optimistic.**

Dig down and remember that you are an insignificant speck on this planet and your life is meaningless.

**IF YOU DON'T**

**HAVE ANYTHING**

**NICE TO SAY**

**GOOD**

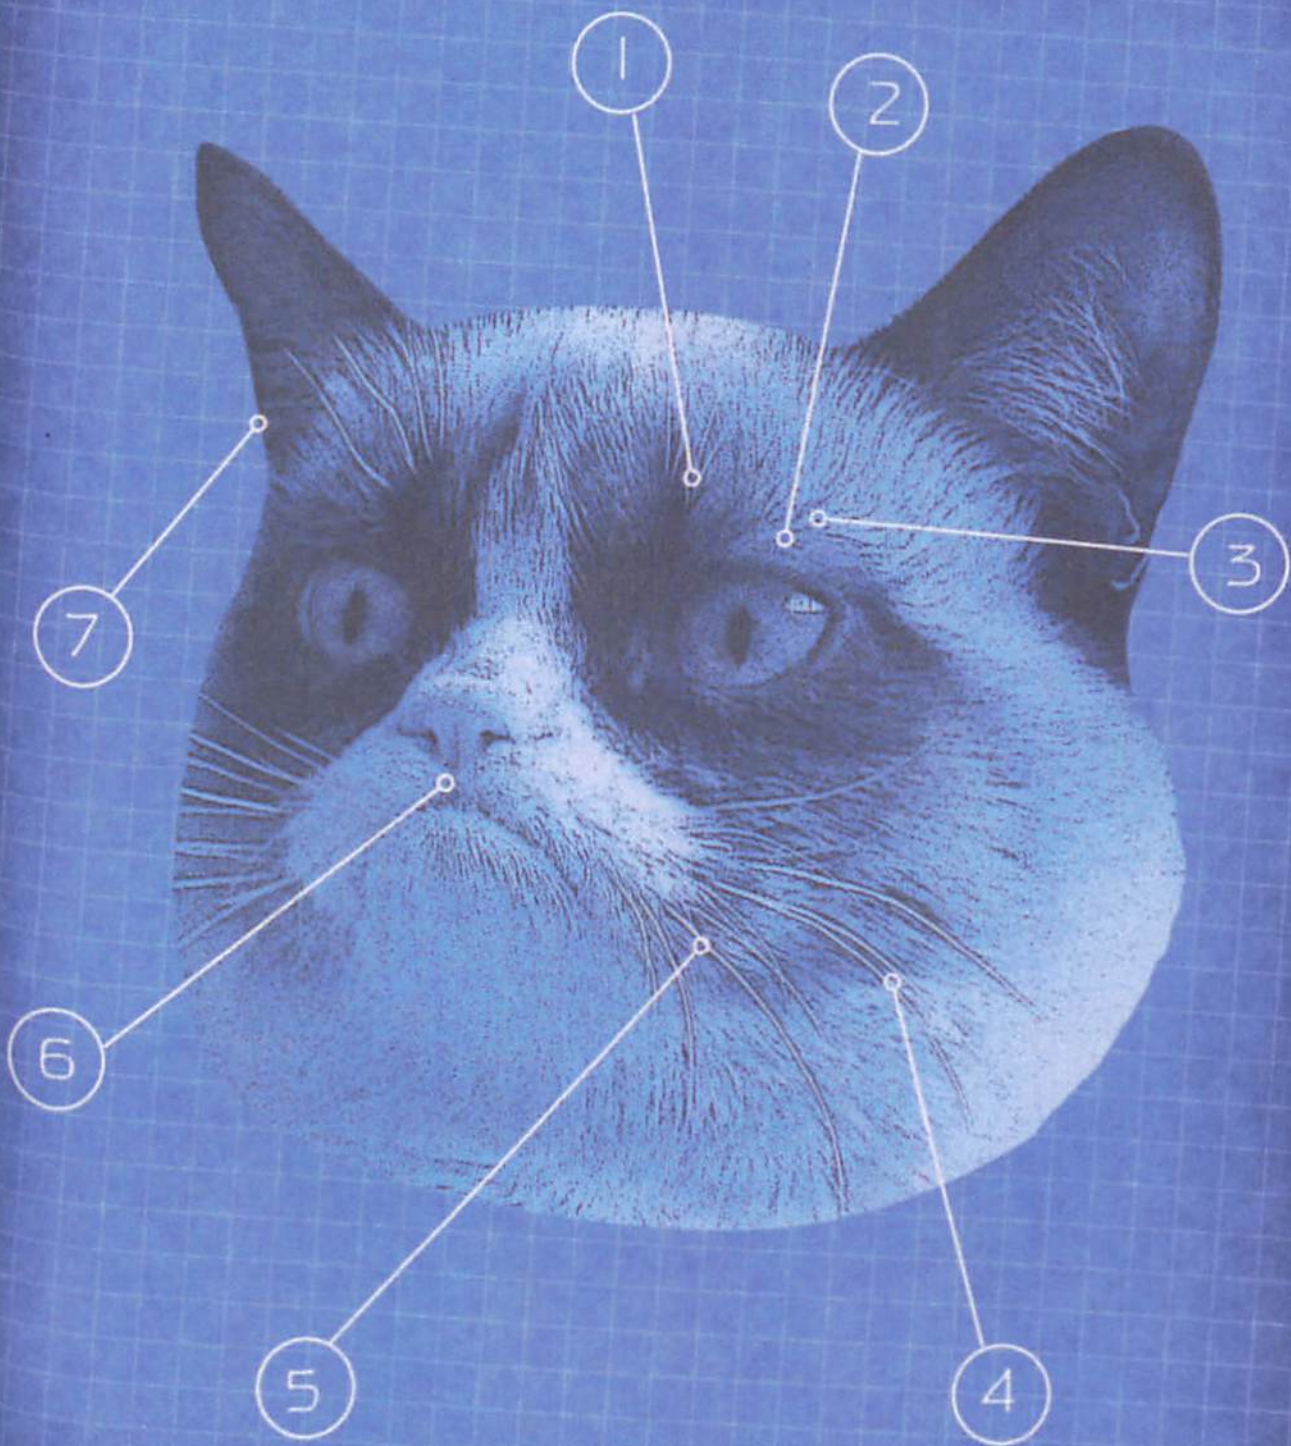

# **Anatomy of a Frown**

- ① **Eyes simultaneously judge you and think you are too boring to care**
- ② **Eyeballs bug out a bit in disbelief and disgust**
- ③ **Brow furrows just slightly**
- ④ **Chin out, but not so much that you look proud or something**
- ⑤ **Edges of mouth approach chin**
- ⑥ **Top of mouth approaches nose**
- ⑦ **Ears: feel free to experiment and find what works best for you**

**Even if you're not yet completely grumpy, you can help yourself get there by *looking* grumpy.**

**CULTIVATE YOUR  
FROWN AND THE  
REST WILL FOLLOW.**

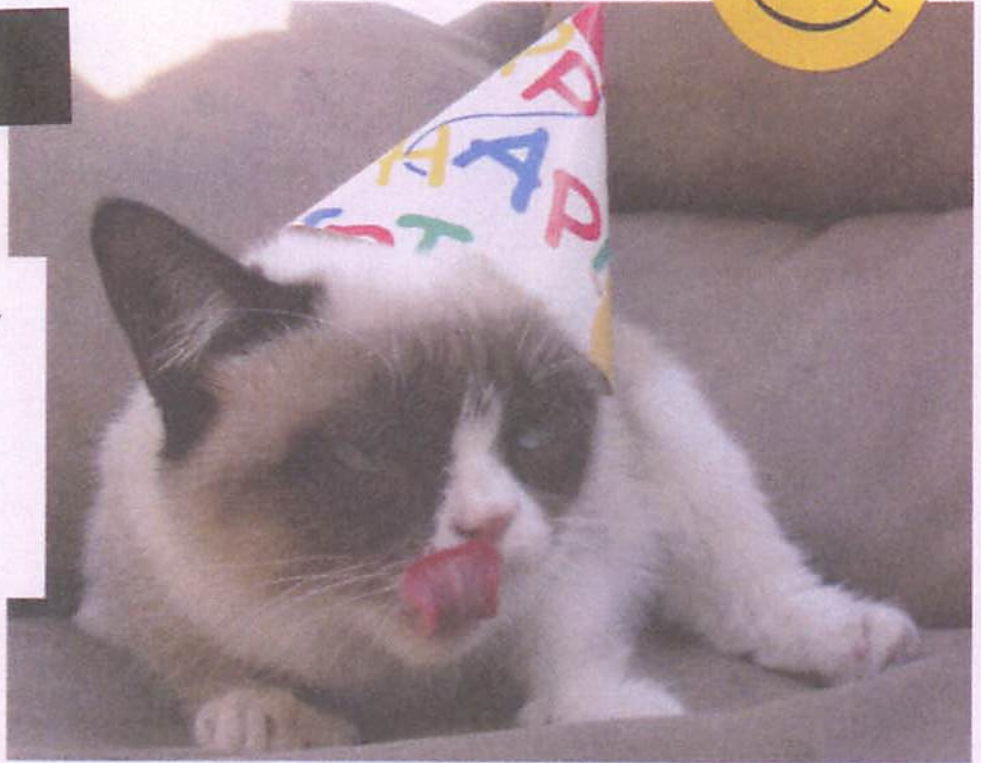

# GRUMPY

## *Moments*

### MY LIFE

I usually celebrate my birthday by blowing out someone else's candles before they have a chance.

I tried to teach Pokey to be grumpy. It didn't work.

Here's me and Cactus.  
We don't talk much, we  
mostly just stare off into  
space and think about  
things we dislike.

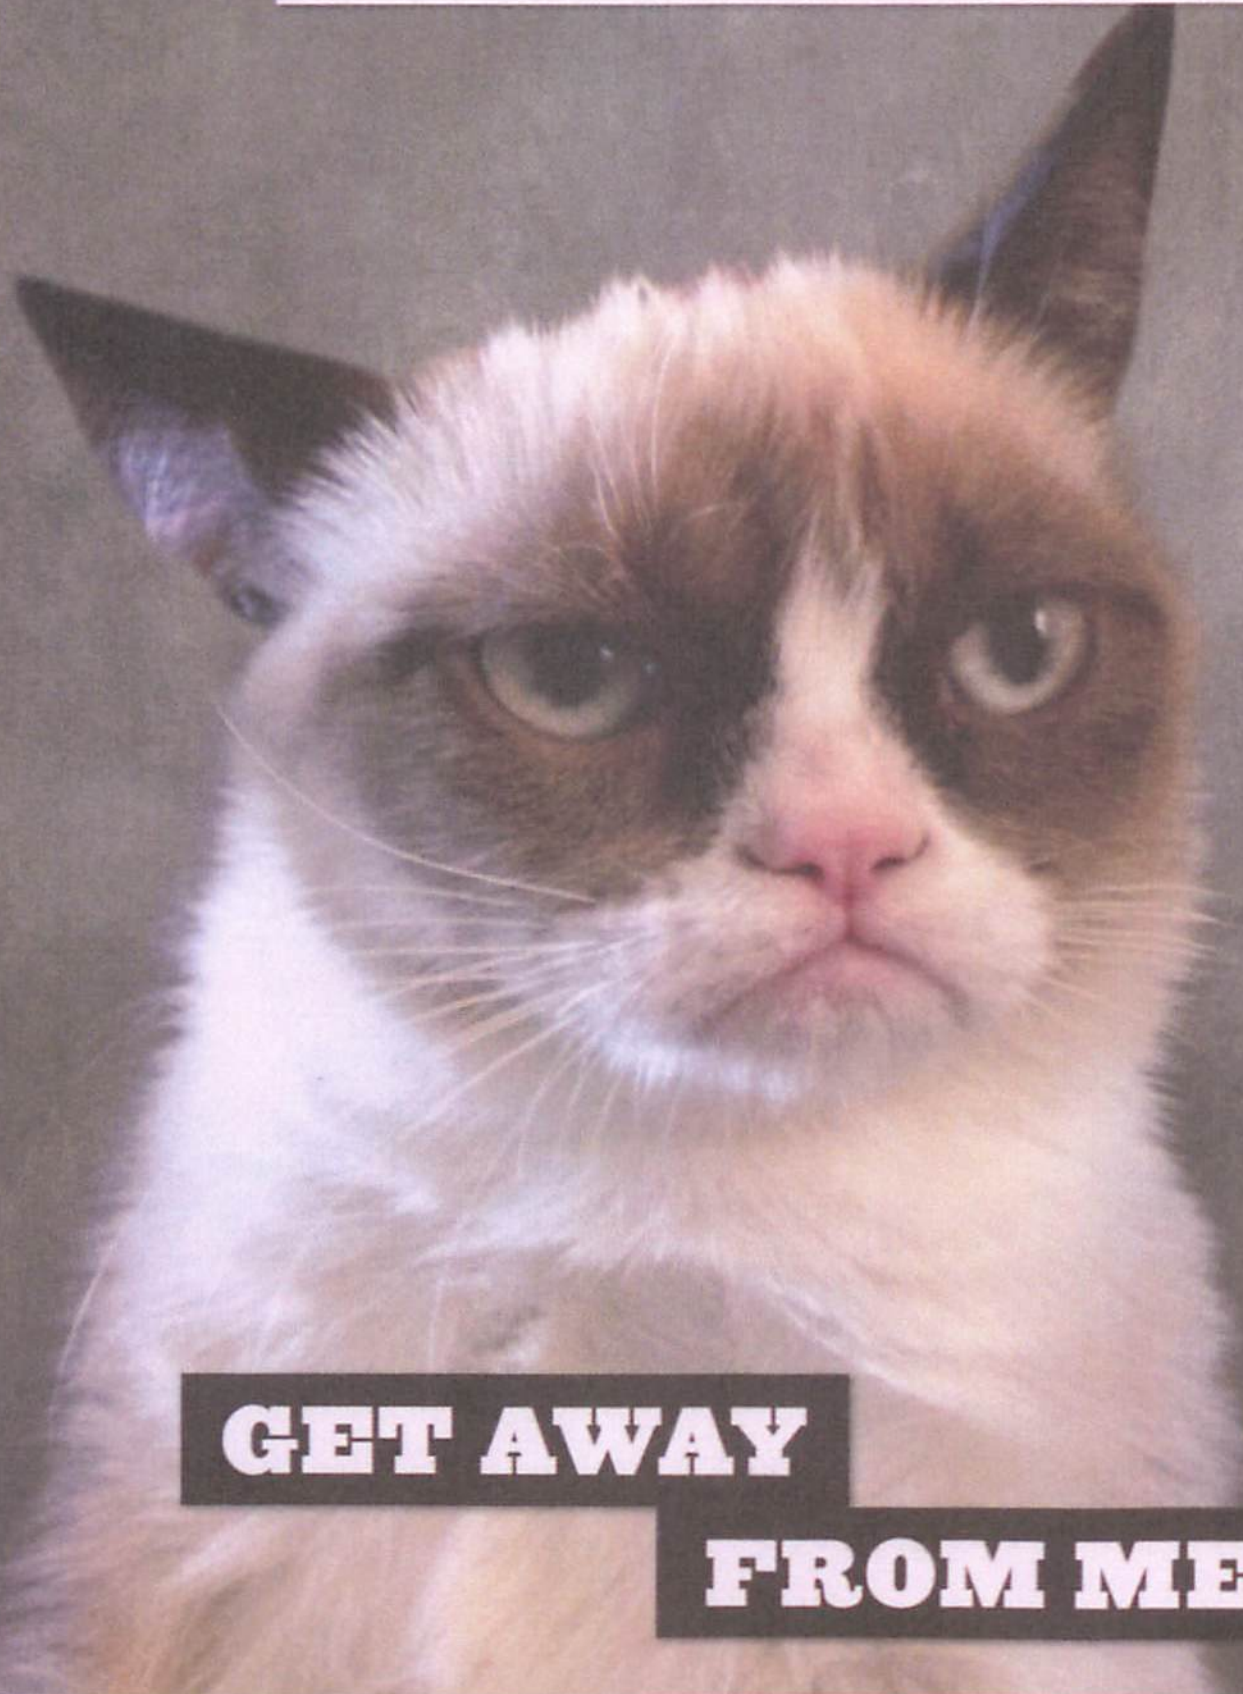

Oh, dog. He constantly  
tortures me with kisses.

And other things.

# VISUALIZE GRUMPINESS

**If you're having trouble unleashing your  
inner grump, try this meditation exercise:**

Close your eyes, take a deep breath, and envision the following . . .

You're walking barefoot through the forest. Sunlight filters through the trees. The moss is soft beneath your feet.

You step onto a log to get a better view . . .

. . . and you get a giant splinter wedged in  
between your toes.

A bluebird serenades you from a nearby branch, keeping time to the musical babble of the brook that flows through the forest . . .

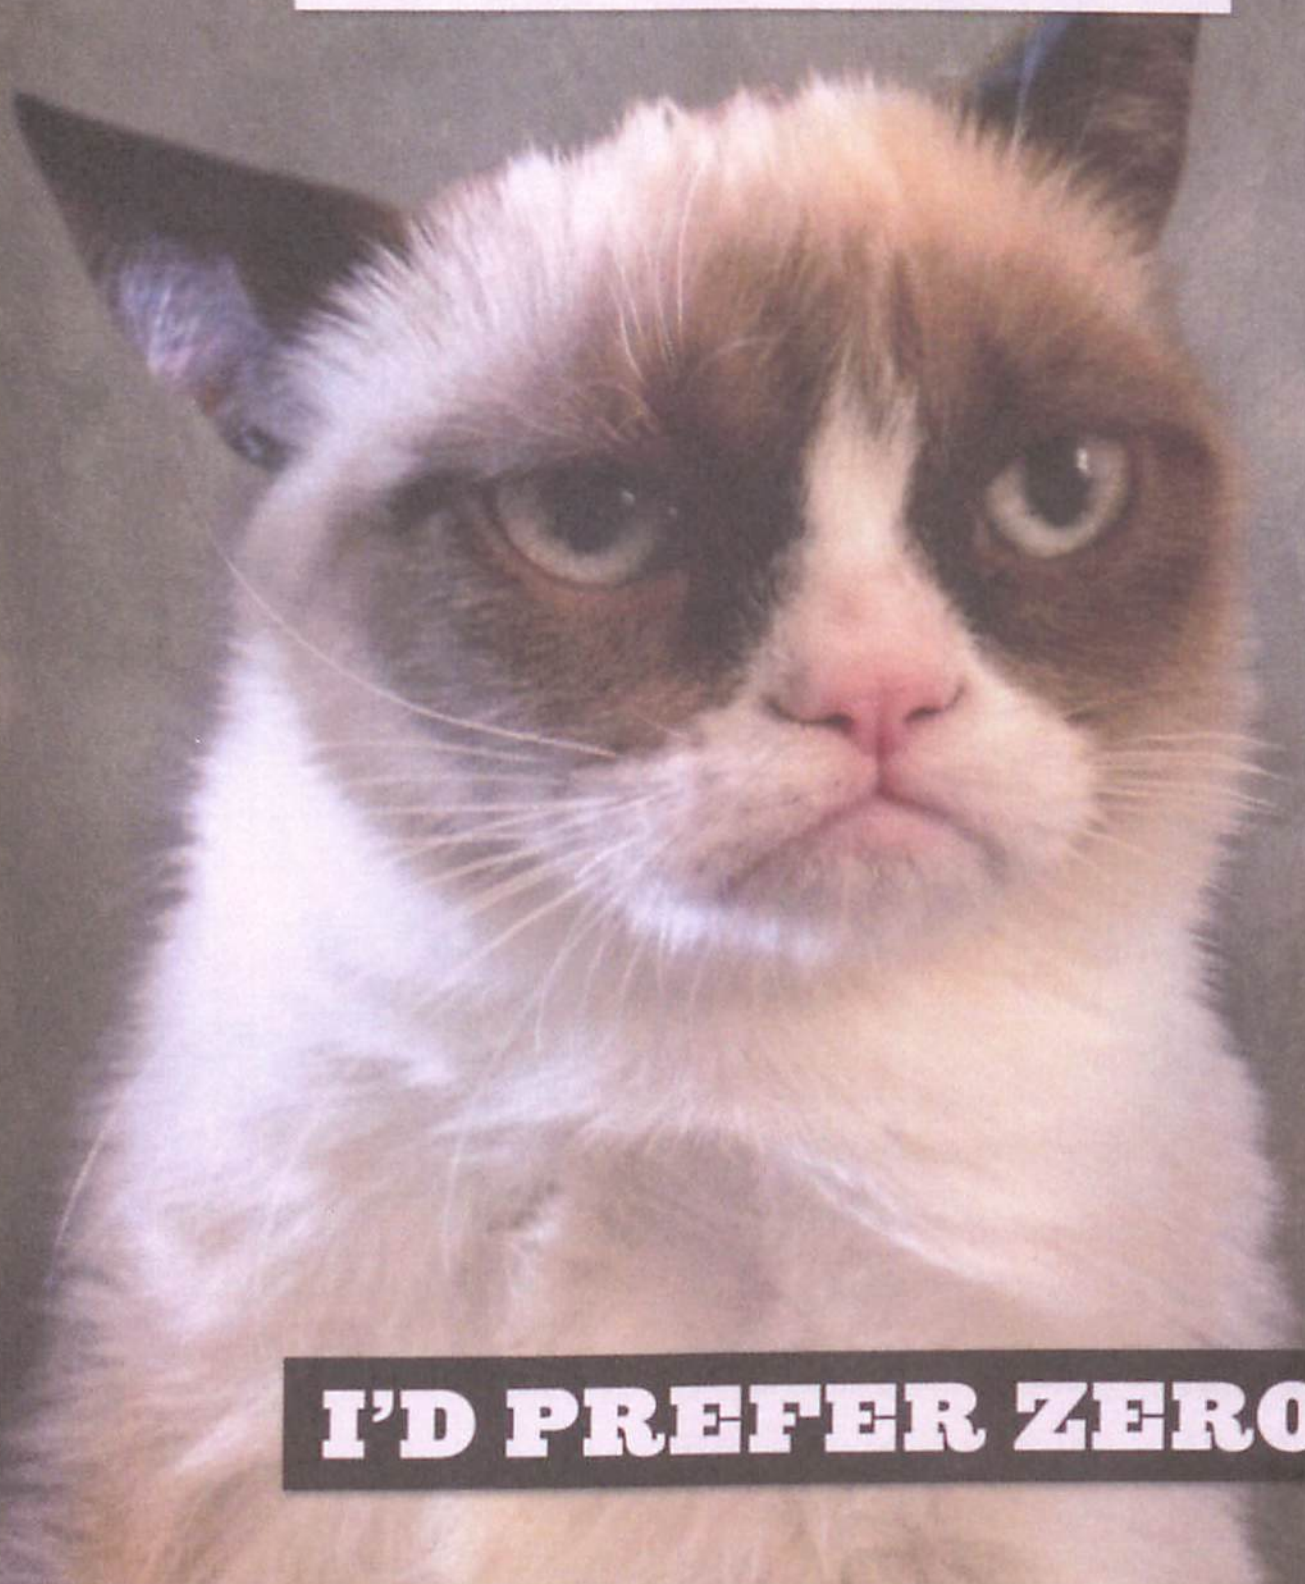

. . . and it poops on you. When you look up,  
it poops again. In your eye.

You glimpse a shimmering unicorn through the foliage . . .

. . . and as it gets closer, you realize it's just a horse  
with an ice cream cone stuck to its head.

# How to Host a Grumpy Party

Who knows why you're hosting a party. Maybe a dog is forcing you, or someone you hate has died and you want to celebrate. Whatever the reason, use the party as an opportunity to get everyone in a bad mood.

## ATMOSPHERE:

- ☐ No music
- ☐ A clock that ticks loudly
- ☐ Hold party during thunderstorm if possible

## DECORATIONS:

- ☐ One dozen (or more) black balloons
- ☐ Wilting flowers
- ☐ Something sticky spilled on the rug and slightly dried

## **FOOD:**

### **LITTER BOX CAKE**

#### **Ingredients:**

One chocolate cake from a mix  
One white cake from a mix  
One box instant vanilla pudding  
One 16-ounce package white sandwich cookies  
12 Tootsie Rolls

#### **Special materials:**

Plastic wrap  
New, unused cat litter box  
Litter scoop

#### **Directions:**

Prepare chocolate cake and white cake mixes and bake according to package instructions. Let cool, then crumble both cakes into a large bowl. Set aside. Prepare instant vanilla pudding according to the package instructions. Chill until set. Roughly crumble white sandwich cookies in a blender or in a plastic bag using a rolling pin. Mix half of the cookie crumbs and all of the cake crumbs with enough of the chilled pudding to get the mixture moist. Line a new cat litter box several times with plastic wrap so that the food doesn't touch the sides of the box. Scoop the cake crumb mixture into the box in an even layer. Unwrap 12 Tootsie Rolls. Heating them 2-3 at a time, warm them in the microwave for 20-30 seconds until pliable, then roll to create a realistic poo look. Scatter them on top of cake. Evenly distribute remaining cookie crumbs on top. Serve with litter scoop.

#### **DRINK:**

Add a few drops green and a few drops red food coloring to a gallon of milk. Serve at room temperature.
